LET'S BUILD A BETTER FARM BILL!

NICK
8 years old
Rosalina: "Hunger, he can't focus in school and often gets sick.
"SNAP" helps, but not enough.
Nepal

A POWERFUL TOOL IN THE FIGHT AGAINST HUNGER

STRENGTHEN SNAP TO SUPPORT NICK

1. Boost SNAP Benefits
   - 44% increase on benefits

2. Improve SNAP
   - Access and choice for children

3. Increase SNAP
   - Additional funding

Now, his family has enough food to support an entire month of groceries.

RINA
53 years old
Rina's parents farm a small piece of land, but extreme weather is destroying their crops.
She works while other kids are in school — and soon, she may have to marry a wealthy man to help her family get by.
Nepal

STRENGTHEN RESILIENCE PROGRAMS TO PROTECT RINA

1. Soil and water management
   - Reduce water loss
   - Improve crop yield

2. Business training
   - Market skills
   - Economic independence

3. Agricultural loans
   - Access to credit
   - Increased income

In 2011, 80% of Rina's catches were lost due to water contamination.

CATCHES HAVE RISEN BY OVER 30%

Now, Rina’s family can cope when disaster strikes — and she gets to be a kid again.
